

Quick Guide to...

Graduate Member

Please read in conjunction with the ICES Guide to Membership

A Graduate member has successfully completed either an ICES accredited degree course, an acceptable alternative course such as a BSc, postgraduate diploma, an MSc or an appropriate S/NVQ programme. There is a wide range of alternative degree courses that are acceptable for graduate membership, including many construction, numerate, scientific and geography courses. Please check with ICES HQ before making your application.

Eligibility

A Graduate Member will have one of the above qualifications and will be committed to working towards achieving the grade of Member or Technical Member.

Benefits of Membership

Key benefits include:

-  The opportunity to apply to upgrade to the qualification grades of membership (subject to eligibility).
-  The award of the designatory letters GCInstCES.
-  Ten copies per year of the ICES journal, *Civil Engineering Surveyor*.
-  The monthly ICES e-newsletter.
-  Access to the ICES regional events programme.
-  The opportunity to become an active member of the ICES Network for early career members and participate in its activities.

How to Apply

The Graduate Member application must include:

-  Online application or upgrade form signed by a sponsor.
-  Digital photograph.
-  Photocopy/scanned evidence of an appropriate qualification.
-  The necessary application fee.

Please return all requested documentation to the membership department at ICES head office. Applicants should submit applications electronically via www.cices.org/forms
