

Quick Guide to...

Student Member

Please read in conjunction with the ICES website www.cices.org

ICES welcomes applications from students enrolled on courses relevant to civil engineering surveying.

Eligibility

A Student Member will be:

-  Enrolled on a relevant course of study.

Benefits of Membership

Key benefits include:

-  Free membership for the duration of the course.
-  Eligibility to enter the ICES student prize and award schemes if on an accredited course.
-  Students on sandwich courses will be eligible to count their placement year towards the ICES experience requirements.
-  Ten eBooks per year of the ICES journal, *Civil Engineering Surveyor*.
-  The monthly ICES e-newsletter.
-  Access to the ICES regional events programme.
-  The opportunity to become an active member of the ICES Network for early career members and participate in its activities.
-  Degree holders are automatically offered an upgrade to Graduate Member.
-  All other students are automatically offered an upgrade to Affiliate Member on successful completion of their studies.

How to Apply

The Student Member application must include:

-  Online student application form including the name and email address of the course tutor.
-  There is no application fee.

Please return all requested documentation to the membership department at ICES head office. Applicants should submit applications electronically via www.cices.org/forms
