Dear Corporate Member

RE: Nominations for Council of Management

The institution is now seeking nominations from corporate members (MCInstCES and FCInstCES) to join its council of management. No previous experience of any committees or panels is necessary.

The institution is conscious to reflect the diversity of the industry and encourages nominations from all those who are keen to help shape its future. New council members, all of whom are directors and trustees of ICES, will receive a trustees' handbook outlining the role and responsibilities of a council member and literature issued by the Charity Commission will be distributed. Expenses incurred in council activities are reimbursed. The three year term of office commences following this year's AGM on 28 September 2019 at the York Marriott Hotel, York Racecourse, Tadcaster Road, Dringhouses, York YO24 1QQ. If you would like more information please read the article about sitting on council in *Civil Engineering Surveyor*, May 2019. Alternatively, speak to an existing member of council about what the role entails or contact ICES CEO, Bill Pryke.

A nomination form is printed below for your convenience. Additional forms are available on request from ICES HQ or via the website. Completed forms must be returned to ICES by no later than noon (BST) on 8 July 2019.

Your faithfully

Ian Bush FCInstCES
